

Please note the following offer applies to residents of the United States only.

To assist our furloughed clients during this economic downturn, CAE Training and Services is currently accepting Workforce Investment Act (WIA) funding for business and commercial pilot training.

In order to obtain these funds, clients need to do the following:

1. Client must contact his / her state unemployment or workforce office.
2. He / She must register with the local office and fill out an application to determine eligibility for the funds.
3. Client must verify that CAE is listed as an eligible training provider in his / her state of residence.
4. Client contacts us to schedule training in the required aircraft program.

For further information on WIA, please contact Sonya Nieboer, Regional Sales Manager – Govt at 404-354-9213 or e-mail sonya.nieboer@cae.com.
