

# Corporate Profile

CAE is a world leader in providing simulation and modelling technologies and integrated training solutions for the civil aviation industry and defence forces around the globe. With annual revenues exceeding C\$1.4 billion, CAE employs more than 6,000 people at more than 75 sites and training locations in 20 countries. We have the largest installed base of civil full-flight simulators and training devices. Through our global network of 27 civil aviation and military training centres, we train more than 75,000 crewmembers yearly. We also offer modelling and simulation software to various market segments and, through CAE's professional services division, we assist customers with a wide range of simulation-based needs.
