RB LOGBOOK

THE DIGITAL PILOT LOGBOOK THAT COVERS IT ALL

TRY FREE

The digital pilot logbook that covers it all

Smart fields, intuitive layout, and unique features make RB Logbook the next generation of logbooks. Fully integrated with your existing Crew, Flight, Training and Qualifications Management Systems.

- Your entire career in one place
- Easy tracking of flights - ACARS Scan – simply take a picture of your OOOI terminal and we'll do the rest
- Secure storage of all your documents and certifications
- Part of the CAE ecosystem with single sign-on to CAE systems
- Integrated with CAE Training and import your Simulator sessions
- Sync with RosterBuster – the #1 Crew App - Supports duty rosters for more than 525 operators

Sign-up and enjoy a **30-day free trial**.

Then choose the membership plan that suits you best and save 40% if you upgrade to our annual plan during your 30-day free trial.

Free for cadet pilots in training.
