

COURSE OUTLINE

# Falcon 2000EX EASy

## Pilot Recurrent

### **Elevate your training experience.**

CAE delivers the ultimate flight training experience for pilots of business aircraft. With safe operations as the top priority, our training programs utilize experienced instructors and highly advanced simulation technology. All training is carried out using computer-based tools, flight training devices, and Level C and D full-flight simulators. But your other needs are also important. That's why we offer convenient and enjoyable locations, unsurpassed service, and tailored programs and schedules that meet your needs.

Falcon 2000EX EASy pilot recurrent training is a [4 or 5 day program](#) and is offered in our [Dallas](#), [Dubai](#), [London-Burgess Hill](#) and [New Jersey-Morristown](#) facilities. To ensure that we meet customer needs and provide a training experience true to the aircraft, we tailor training to your schedule and your operational requirements. So work with the people who work with you.
