

CAE and Global Crossing Airlines (GlobalX) sign exclusive A320 pilot training agreement

Montreal, Canada, Jan. 30, 2024 – CAE today announced that it has signed a long-term exclusive pilot training agreement with Global Crossing Airlines (GlobalX) to deploy and operate an Airbus A320 family full-flight simulator (FFS) in Miami, Florida. The FFS is scheduled to be ready for training in the first quarter of 2024 to support GlobalX’s ongoing growth and the expansion of its Airbus A321 freighter fleet.

“We are delighted to be signing this agreement with CAE to provide GlobalX with a dedicated Level D full-flight simulator,” said John Coomes, GlobalX’s Vice President and Director of Operations. “We expect to see our relationship with CAE continue to grow as we focus on having the very highest levels of safety in our operations. We greatly appreciate CAE’s confidence in our team and our company by providing us with this FFS.”

“We are happy to welcome GlobalX as a new CAE customer, and with this long-term agreement, we look forward to supporting the airline’s growth with this A320 FFS,” said Michel Azar-Hmouda, CAE’s Division President, Commercial Aviation Training. “CAE’s objective is to be close to its customers and provide an immersive training experience that gives pilots the knowledge and confidence to be at their best every time they fly.”

About Global Crossing Airlines

GlobalX is a Federal Aviation Regulation (FAR) Part 121 domestic flag and supplemental Airline flying the Airbus A320 family aircraft. GlobalX flies as a passenger ACMI (Aircraft, Crew, Maintenance, and Insurance) and charter airline serving the US, Caribbean, European and Latin American markets. In 2023, GlobalX entered ACMI cargo service flying the A321 freighter. For more information, please visit www.globalxair.com.

About CAE

At CAE, we equip people in critical roles with the expertise and solutions to create a safer world. As a technology company, we digitalize the physical world, deploying software-based simulation training and critical operations support solutions. Above all else, we empower pilots, cabin crew, airlines, defence and security forces and healthcare practitioners to perform at their best every day and when the stakes are the highest. Around the globe, we’re everywhere customers need us to be with more than 13,000 employees in approximately 250 sites and training locations in over 40 countries. CAE represents more

than 75 years of industry firsts—the highest-fidelity flight, mission and medical simulators and training programs powered by digital technologies. We embed sustainability in everything we do. Today and tomorrow, we'll make sure our customers are ready for the moments that matter.
