

# CAE in Australia

## Overview

CAE is an experienced training systems integrator across air, naval, land and public safety domains. The company employs 10,000 people at more than 160 sites and training locations in 35 countries. CAE offers customers a complete range of highly innovative products, services and training centre solutions designed to help them meet their mission critical needs for safety, efficiency and readiness.

## Defence and Security

For over 25 years CAE Australia Pty Ltd, now based in Homebush, New South Wales, has had a significant presence in Australia that today includes approximately 200 employees supporting training in Australia and New Zealand at more than 20 sites serving the defence, civil aviation and healthcare markets. CAE Australia Pty Ltd is one of the key regional business operations that make up CAE's global Defence and Security business unit. CAE Australia is consistently recognized as one of the top small-to-medium sized enterprises in Australia. Leveraging the full breadth of CAE's global capabilities and leading-edge simulation technologies, CAE Australia brings proven solutions to the Australian market and surrounding region in addition to delivering world-class engineering and support services.

## Major programs for the Australian Defence Forces

- RAAF Hawk Mk 127 Lead-in Fighter training and support services at RAAF Pearce and RAAF Williamtown;
- Prime contractor on the Maintenance and Support of ADF Aerospace Simulators (MSAAS) contract, as well as the Aerospace Simulation Through Life Support (ASTLS) contract;
- KC-30A training systems and comprehensive training services at RAAF Amberley;
- C-130J training systems and support services at RAAF Richmond, including a C-130J Fuselage Trainer and live C-130J flight instruction;
- S-70A Black Hawk full-flight and mission simulator, maintenance training systems and support services at the Army Aviation Training Centre, Oakey;
- MRH90 training systems and support services at Oakey and Townsville;
- MH-60R Seahawk training systems and support services at HMAS Albatross;
- AP-3C maintenance support services at RAAF Edinburgh;
- King Air 350 full-flight simulator training and support services at East Sale;
- Toll Group AW 139 maintenance and training support services – Bankstown.

In addition, CAE supports the Royal Australian Air Force's participation in Coalition Virtual Flag, which is one of the world's largest virtual air combat exercises. CAE Australia also includes an experienced professional services group, which is a market-leading consulting and engineering services organization that leverages modelling and simulation technologies and expertise to develop software-based solutions for decision support and training in complex environments.

Your worldwide training partner of choice

## Civil aviation

Backed by over 70 years of experience, CAE is the training partner of choice of aircraft manufacturers and airlines around the world. With our innovative XR Series training equipment suite, our comprehensive cadet to captain training programs and our crew resourcing services, CAE supports the pilot training needs of Qantas, Virgin Australia, Air New Zealand, Jetstar Airways, Fiji Airways and other operators in the Asia Pacific region. CAE operates numerous training locations in Australia including a training centre in Perth, with Fokker 50 and Fokker 100 training capability. In addition, CAE trains aspiring pilots at its two aviation academies located in Melbourne and Tamworth. For more information see [cae.com/civil](http://cae.com/civil).

## CAE Healthcare

CAE Healthcare offers cutting-edge learning solutions to healthcare students and professionals, allowing them to develop practical experience through risk-free simulation training before treating real patients. CAE Healthcare's full spectrum of simulation solutions includes interventional and imaging simulation, audiovisual solutions and highly realistic adult, paediatric and baby patient simulators. Today, approximately 9,000 CAE Healthcare simulators are in use worldwide by medical schools, nursing schools, hospitals, defence forces and other entities including St Vincent's, Royal Adelaide Hospital, Alfred Healthcare, Epworth Healthcare and Royal Perth Hospital. CAE Healthcare has an exclusive agent in Australia, Mediquip Pty Ltd.
