

## CAE deploys first Boeing 737 MAX full-flight simulator in Europe

**Berlin, Germany, November 2, 2021** (NYSE: CAE; TSX: CAE) – CAE announced today at the 2021 European Aviation Training Symposium in Berlin, the expansion of its pilot training capacity in Europe through the deployment of a brand new CAE 7000XR Series Boeing 737 MAX full-flight simulator (FFS) at the CAE Amsterdam training centre.

“CAE provides the most innovative full-flight simulators (FFS) to improve training efficiency, offer advanced capabilities, and increase operational efficiency for airlines,” said Nick Leontidis, CAE Group President, Civil Aviation Training Solutions. “We are excited to expand our training footprint in Europe with this latest addition of our Boeing 737 MAX FFS. CAE is leading the industry with innovative training solutions and operational support to all of its customers across the globe”.

CAE has received close to 60 orders for Boeing 737 MAX full-flight simulators and has already delivered more than 35 B737 FFSs of these orders for various customers around the world. CAE has six B737 Max FFSs installed at the company’s training centers located in Toronto, Dallas, Amsterdam, Dubai and Singapore.

### **About CAE 7000XR Series Full-Flight Simulator**

The CAE 7000XR Series FFS is the latest evolution of CAE's industry benchmark FFS. Designed in collaboration with our customers, the CAE 7000XR Series sets a new standard in level D FFS. Leveraging the latest advancements in technology and training capabilities, the CAE 7000XR Series is designed to optimize life-cycle costs for our customers and to address new and future training requirements. Enhanced features include CAE Tropos™ 6000XR for extreme visual realism, next-generation instructor office, upset prevention recovery training, and built for lower ownership costs and increased reliability.

### **About CAE**

CAE is a high technology company, at the leading edge of digital immersion, providing solutions to make the world a safer place. Backed by a record of more than 70 years of industry firsts, we continue to reimagine the customer experience and revolutionize training and operational support solutions in civil aviation, defence and security, and healthcare. We are the partner of choice to customers worldwide who operate in complex, high-stakes and largely regulated environments, where successful outcomes are critical. As testament to our customers’ ongoing needs for our solutions, over 60 percent of CAE’s revenue is recurring in nature. We have the broadest global presence in our industry, with more than 11,000 employees, 180 sites, and training locations in over 35 countries. [www.cae.com](http://www.cae.com)
